"Winos for Rhinos"
Kick-off fundraising event
2018

July 10, 2018

Dear friend of the community:

We would like to invite you to join us and be a sponsor of our kick-off fundraising event for our new non-profit organization, Wild Aloha Foundation. What is Wild Aloha Foundation?

Wild Aloha Foundation is a local non-profit created to raise awareness for endangered species and to raise money, through fundraising events, for the non-profit organizations actively working on the front lines.

Our fundraiser, "Winos for Rhinos," will focus on educating our community about the wildlife poaching crisis, specifically on the Rhinoceros. Money raised through this event will go towards our featured organization: Care for Wild Sanctuary in South Africa. Care for Wild rescues and rehabilitates orphaned rhinos whose mothers have been killed by poachers. Currently, the rhino poaching crisis is at a tipping point, and at this rate, wild rhinos are on track to be extinct within the next six years.

100% of our net proceeds are going directly to Care for Wild. Members of Wild Aloha Foundation do not receive compensation.

We are hoping that you can assist us by sponsoring "Winos for Rhinos," and/or donating merchandise, services, or gift certificates. Your sponsorship and/or in-kind donations will help assure that our first fundraising event is a success.

Enclosed please find information on our fundraising event and our different sponsorship levels. Please contact us at your convenience should you need more information either about Wild Aloha Foundation or specific sponsorship levels. We sincerely thank you for your support and generosity!

Mahalo,

Your friends at Wild Aloha Foundation
